

Miss Peppercorn is coming to James Cook Primary School as our new online lunch service providers.

The service will begin on Fridays to begin with and start up on **Friday 28th April 2017**.

They are coming this Thursday afternoon to run an information session for those of you who indicated your preference for an online lunch service, about the service they provide, and how to register and order through their system. We will have a couple of computers available for those of you who wish to register on the day. They will also bring along a couple of menu samples.
