## Principal's Report

The running of this year's Mini-Fete has been handed over to the students in Module Four. As part of their Economics Inquiry Unit of study in Term Three, the students have investigated the process of the delivery of a viable stall for the student body here at JCPS. They have spent many weeks researching, planning and marketing for their stalls in order to run a successful event. Along with the students, I am very excited by their enthusiasm and thoroughness with which they have approached this School Community event. The Mini Fete is being held on Friday 10<sup>th</sup> November 1.00 – 3.00pm

We hosted the school-level final of the Public Speaking competition offered by the Endeavour Hills Lions Club, which was won by Suvaitha from Module Four and Hiba from Module Three. The girls were again successful at the event on September 20<sup>th</sup>. The final round of competition was held on Sunday 8<sup>th</sup> October in Trafalgar. The girls competed against students from as far as Lakes Entrance, Dromana and Fish Creek in their respective age groups. Whilst the girls were not judged the winners on the day, Suvaitha and Hiba along with their families, are to be congratulated for representing themselves and James Cook at the highest level of this event.
