Principal's Report

Our focus this term is on our musical production, "What in the Where....." Commitment and levy notices will be sent home next week. Please attend to these as soon as possible, as dance sessions have begun and staff are already organising costumes. The musical is an integral element of our curriculum program and students are assessed on their participation and skills in the Arts domain and it is expected that all student will participate.

With this in mind, it is just as important as ever, students attend school every day. Lauryn is here on Wednesdays for dance sessions, with teachers conducting rehearsal sessions during the week. Any absence inhibits a child's learning potential. Missing dance and rehearsal sessions will limit their ability to effectively participate in the final production on September 11th.

Each year, the Department of Education and Training conduct the 'Parent Opinion Survey.' Families are selected randomly by the system to participate in the survey regarding our school. Some of you may have taken part in previous years. The survey must be completed online. If your family is selected to participate, we will make provisions for families to complete the survey here at the office by providing internet access and assistance for those who do not have internet access at home.

Calling all **Preps for 2020!** It's now time to start making sure that all children eligible to commence Prep in 2020, submit their enrolment forms for next year. If families have a child who has or will be turning **5 years old by April 30th 2020**, or know of a family who do, they should either call the office, or come along a see us and secure your place here at James Cook Primary School.

SCHOOL PHOTOS - Tuesday 6th August

This year Arthur Reed Photos is introducing a brand new webshop. Parents will now be able to view the photographs taken of their child prior to purchase and select the images they would like included in their photo package.

Personalised flyers have been created for all students, each with a unique code.

Parents are to use the code on the flyer to access the images taken of their child on photo day.

All students will need to be in correct school uniform and any headwear must be in navy blue as per our school Uniform Policy.
