Parents, students and teachers are invited to our Virtual School Assembly on Tuesday 1<sup>st</sup> September. This will be our first virtual assembly it will be with fingers crossed that the technology works as it should. It will be great to see everyone, I know the school captains are excited, and are preparing for something that they didn't expect when they interviewed for the positions at the end of last year.

Hello everyone,  
Thank you for everyone who has been attending the grade trivia nights. They have been amazing. Every Thursday there is a trivia night. Each week a different Grade is invited to attend.

So far, we have had many kids attend our Grade 5 and 6 trivia nights and tonight it is the Grade 4's turn. We play games, try and answer questions and have a lot of laughs.

It is a fun event and happens outside school hours (which makes it cooler) Thank you for everyone who has been attending and all the teachers who have come as well.

We hope we see you at your next grade's family trivia!

Bye!
