

COOK'S LOG

Newsletter September 10th 2020

As we fast approach the end of the term, I know that there are plenty of people looking forward to a well earned break. It has certainly been a term like no other and now the sun is showing itself more often, it helps to raise spirits. Everyone has put in an extraordinary effort this term to ensure the seamless transition to remote learning. A great big thankyou to all the teachers of our children. It has been a juggle for many with working from home, teaching children and also managing a household. Thank you to each and every one of you that didn't put your hand up to be a teacher but stepped up to support our students to achieve amazing results this term.

We have some exciting events coming up for the last week of term 4. Kicking off with a dumpling making lesson from Master Chef Wang, James Cook Virtual Musical and Fun filled Friday.

Next week we will be having a device down Wednesday and Fun Filled Friday. This means that there will be no live classes on Wednesday 16th September. On Friday, however, teachers will be marking the end of term with some exciting activities.

Term 4 will resume on Monday 5th October with a week of remote learning for all students. Students in P-2 will be returning on site on Monday 12th October with the Year 3-6 students returning on Monday 26th October.

Once again the Year 6 students are creating opportunities for multi-age students to come together remotely. Lunchtime clubs on Wednesday and Friday and Trivia Night on Thursday. This week it is 3A's turn to see who is the Trivia Master.

Please remember that we are only a phone call or an email away if you need to clarify anything or require assistance:

See you online.

Tracie

☹️
Me in 2019: If I could just have like a week with nothing to do and nowhere to go I could finally get this house clean and organized.

☹️
Me now: Nope, that wasn't the problem . . . ☹️

Musical Video – Live Stream

Good afternoon parents and carers. As the school musical can't go ahead as usual this term, we will be streaming a live video of the students' work. The screenings will take place on next Wednesday the 16th at 7pm and Thursday the 17th of September at 7pm.

The link will be posted on your child's Google Classroom stream and Class Dojo for the junior students.

Making Chinese Wonton/Dumping Soup

Celebrating the Chinese Moon Festival

Hi Everyone

I am thrilled to present “how to make wonton” to all of you as a celebration of the Chinese Moon Festival, 1st October 2020.

I have created a web page where you can find everything you need for this activity.

<https://bit.ly/2R1t1MP> Click this link please.

The same information will be posted on Chinese remote learning webpages.

You can do it any time or multiple times. I hope it will be your family time instead of a cooking challenge.

You can upload any photo or video of your wontons and happy moments via Class Dojo or Google classroom.

Looking forward to seeing that you have a big smile on your face while you are having a wonton in your mouth. 😊

Ingredients:

Wonton Wrappers/Skin – 250g (20 pieces or 1 pack)

White/black pepper – 5g

Cabbage Chinese Wombok – 500g

Mushroom – 200g

Carrot – 100g

Corn Flour – 10g

Corn Kernels – 100g

Soy sauces

Salt and Sugar

Important notes: The wonton skin has **GLUTEN**. There are no gluten free products.

All of these ingredients should be able to be purchased in Woolworths or Coles. Otherwise, they are popular in any Asian grocery.
