

Flexibuzz works with QKR payments

We encourage every parent to download the free FlexiBuzz app. This app is available on your phone, tablet or PC. It has a direct link to Qkr for making school related payments.

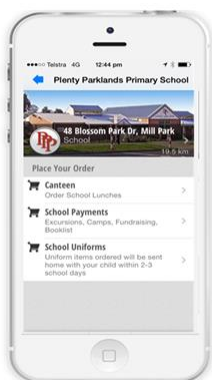

Once installed, make sure you follow the steps to tick our school. Set your preferred language in preferences then everything is received translated.

You must notify us of all your child's absences through Flexibuzz. You can also access important information about class events and other special events such as:

- General updates and reminders for events
- Class communications
- Newsletters
- Event Permission Forms
- Events Calendars
- Uniform List

You can now complete your child's permission form at the same time you make your payment through Qkr, at any time, day or night!
